

Cube Large 800 ml Brown 1-Comp, 160 pcs/box (4 x 40 pcs)

Combining simplicity and functionality, Cube is a timeless classic. The square and rectangular shapes are perfect for efficient space utilization and the rounded edges add a sophisticated look. Made from renewable sugarcane fibre, the boxes can be either compostable or recycled after use. Cube can be used safely with all types of hot and cold food and thanks to an extra secure lid closing, it ensures the best possible food protection. Transparent lids made from 100% post-consumer recycled PET (RPET) with an antifog feature to prevent condensation are available when clarity is a priority. The coated Cube range features an ultrathin PBAT/PLA coating designed to withstand greasy food, long-term storage and microwave reheating. Our Cube range is produced without any added PFAS – just like all our boxes and bowls.

- Boxes and bagasse lids made from renewable material
- RPET lids made from 100% recycled material
- RPET lids with antifog feature to prevent condensation, ensuring perfect clarity
- Excellent stackability
- Antifog feature on RPET lid to prevent condensation, ensuring perfect clarity
- PBAT/PLA coating for greasy food and long-term storage
- Suitable for microwave reheating
- Produced without any added PFAS
